Q4 FY21 Sales Performance

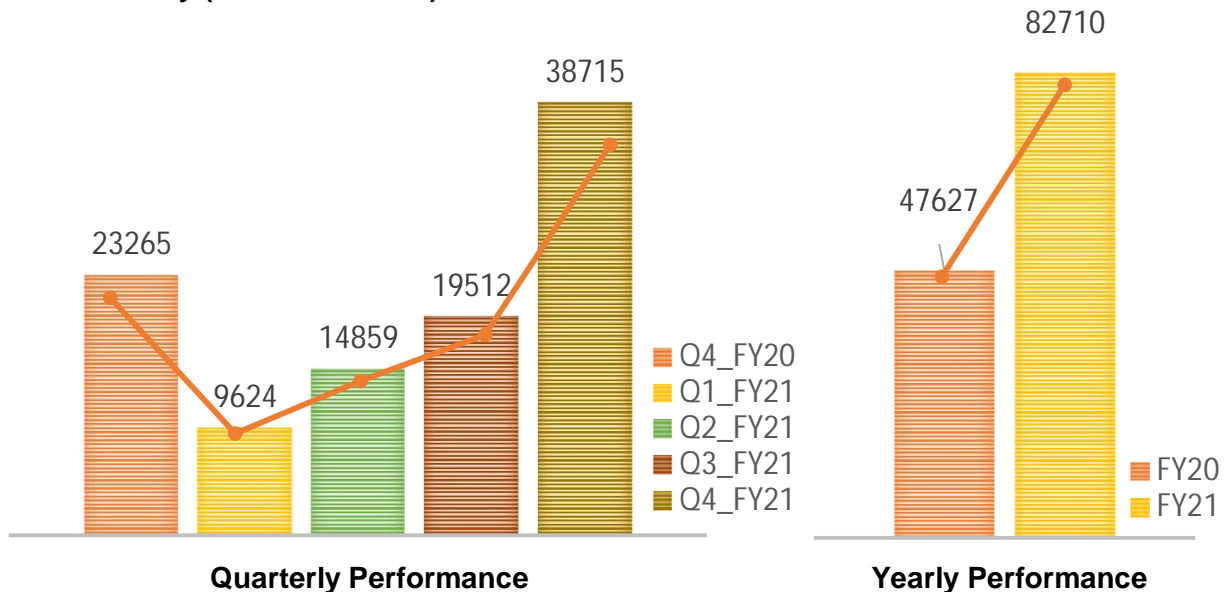

HIGHEST EVER SALES VOLUME

Q4FY21 : 38,715 MT [+98.42% QoQ, +66.41% YoY]

FY21 : 82,710 MT [+73.66% YoY]

Chandigarh, April 2, 2021 : JTL Infra Limited, one of India's fastest growing producers of ERW Steel Tubes and Pipes, today announces its sales volume performance for the quarter and year ended March 31, 2021. The Company registered a healthy sales volume of 38,715 Metric Tonne in Q4 FY21. The volume increased by 98.42% QoQ and 66.41% YoY. Whereas it registered a robust growth of 73.66% on yearly basis, sales volume of FY21 is 82,710 Metric Tonne as compared to 47,627 Metric Tonne in FY20. The company's newly commissioned Mangaon Plant along with recently acquired Mandi Gobindgarh plant are contributing to the sales in significant way, leading the additional growth.

Sales Quantity (in Metric Tonne)

Other developments:

- The Board of Directors of the Company, to augment the long-term resources of the Company and to fund the ongoing capex, future expansion and working capital margin, during the quarter ended March 31, 2021 allotted 25,00,000 fully convertible warrants, on preferential basis, pursuant to members approval obtained for this purpose.
- In line with the Company's well-thought-out long-term business strategy of consolidation of existing businesses and geographically diversifying and expanding its manufacturing footprint in emerging markets across India

Continue...

- a) completed the integration of recently acquired manufacturing facility at Mandi Gobindgarh, Punjab with the Company's businesses.
- b) scaled up the production at Mangaon Plant - company's newly commissioned state of the art manufacturing facilities, already having installed capacity of 1 Lacs MTPA and trial production for another 1 Lac MTPA capacity is expected shortly.
- a) expanding its product offering in other products segments to reduce its dependency on hot-dipped Galvanised Pipes.

About the Company:

JTL Infra Limited is amongst the fastest growing steel tube manufacturers. Headquartered at Chandigarh, the organization has three manufacturing facilities with an installed capacity of 3 lac MTPA. Having two units in the northern part of India- one in Derabassi which is near Chandigarh and another recently added unit in Mandi Gobindgarh. The third unit is in western part of India in Mangaon District Raigad near Mumbai.

JTL Infra is a recognized Star Export House and it's product offering includes GI Pipes, MS Black Pipes, Hollow-sections, Solar Structures amongst others which cater to diverse industry applications such as urban infrastructure, housing, solar plants, green houses, engineering, irrigations etc.
